

## DRIVE OUR MESSAGE HOME!

The “**I’m Animal Friendly**” license plates that you’ve undoubtedly seen on Massachusetts vehicles are more than a promotion – they are literal life-savers!

By purchasing this special license plate, you support spay and neuter efforts across the Commonwealth. Funds received from the sale of the plates are dispersed by the **Massachusetts Animal Coalition** (MAC) to spay/neuter organizations.

Both **Concerned Citizens for Animals, Inc.** and the **Homeless Cat Project** have written MAC grants and received critically-needed funding for spaying and neutering.

For information on purchasing the “**I’m Animal Friendly**” license plates, please visit
